

The grapes harvested for this white cultured wine have a crisp, righteousness and are light to medium bodied. Medium bodied? They are downright paunchy. Fox news has rated this wine as only fair, but balanced. It is *not* a wine for the secular liberal elite and only trace amounts of hexavalent chromium and melamine can be found in it, certainly not enough to warrant government (a Maoist, Marxist, Fascist government) intrusion. This is a wine that truly deserves its screw top.

Contains the minimum daily requirement of sulfites.

GOVERNMENT WARNING: AFTER WE TAKE ALL OF YOUR MONEY IN TAXES YOU WON'T BE ABLE TO AFFORD EVEN THIS CHEAP WINE SO BUY ALL OF IT YOU CAN NOW AND HIDE IT IN YOUR BASEMENT WITH YOUR GUNS.
